Hold Noyes Memorial, Macfarland Suggests

Commissioner Macfarland today suggested that a memorial meeting be held in order to give the citizens of Washington an opportunity of expressing their appreciation of the late Crosby S. Noyes, and their sense of loss at his death.

It was suggested, also, by Mr. Macfarland that the friends and associates of Mr. Noyes in the civic and patriotic organizations, of which he was a member, meet the body upon its arrival in Washington.

"When the remains of Governor Shepherd were brought to Washington from Mexico, and interred in Rock Creek Cemetery, where the body of Mr. Noyes will lie near that of his friend and colleague in the great work of beautifying Washington, a large number of citizens assembled at the cathedral to pay a last mark of respect," said Commissioner Macfarland. "Similar honor should be paid Mr. Noyes, and I suggest that the organizations appointed by the organizations to which he belonged, represented those organizations at the station."

RAYMOND HITCHCOCK GETS A POSTPONEMENT TO OUTLINE HIS TRIAL

admitted taking two girls in an automobile to Grand Neck, and that they remained over night, but he denied any wrong doing. He also admitted taking two girls in the "house" with the stained glass windows. In forty-first street, where he had a room. Both these incidents are expected to figure in the actor's trial.

Case Troubles Jerome's Office.

In preparing the case against Hitchcock the district attorney's office has met with difficulties through the refusal of certain of the girls to testify.

In one instance a girl Hitchcock was accused of persuading to leave her home has absolutely denied being under the actor's influence.

Added interest was given the Hitchcock case by the sudden disappearance of the comedian on the day the indictments were returned until he finally surrendered voluntarily and declared he had never been out of New York.

Hitchcock was given permission to leave the city for his tour on promising to return when wanted. Recently an effort was made to secure a postponement of his trial until after the close of the theatrical season, but the request was denied and today fixed for the trial.

Wife in Court.

Mrs. Hitchcock, who is known on the stage as Flora Zabelle, accompanied her husband to court today and declared that she would stand by him, no matter what the outcome of the trial. She has declared positively over since the accusations were made against him that she believed him innocent and still maintains that he is the victim of conspiracy and peculiar circumstances.

The charges against Hitchcock were made October 17, last, when Bella McKenzle disappeared. Then followed charges against the actor by number of young girls. It was said the actor had taken them to the "House of the Stained Glass Windows," on West Fifty-first street, and to his home at Grand Neck, L. I.

BISHOP SATTERLEE'S BODY WILL BE MOVED TONIGHT TO PRO-CATHEDRAL CHURCH

Great Numbers of Flowers Sent to House Are Being Placed Around Altar—Clergymen Will Guard Body During Night.

Borne by eight clergymen of the diocese, the body of the Right Rev. Henry Yates Satterlee, bishop of Washington, will be carried at 7 o'clock this evening from the Satterlee home to the Pro-Cathedral Church of the Ascension, where it will lie in state until the funeral tomorrow afternoon at 2 o'clock. During the night the casket will be guarded in relays by clergy of the diocese. Beginning tomorrow morning at 7 o'clock, Holy Communion will be celebrated every hour until noon. During these services the thousands who have known and admired Bishop Satterlee are expected to come and pay their respects to his memory.

If accordance with the usual custom of the Episcopal Church in matters of this kind, it is announced that the casket will not be opened at the church. Those intimate friends and associates who craved a last look upon the features of the beloved divine called at the Satterlee home today to take their last look at the features of their friend and leader.

Flowers Taken to Church.

The large number of floral offerings which have been received since the bishop's death are today being placed about the altar of the Pro-Cathedral, the quantity and beauty of the floral tributes preserving a most eloquent indication of respect in which the deceased prelate was held by all classes. The interior of the church today resembles a magnificent flower garden.

A number of cables were received today from acquaintances of Bishop Satterlee, who expressed their sorrow at the news of his death. Among these were messages from the Rev. Dr. Morgan, rector of Trinity Church, Paris; Admiral John McGowan, now in Rome; Bishop Walker, of western New York, of the Pro-Cathedral, now in France, and others.

Messages from Mr. and Mrs. George Westinghouse, former Secretary E. A. Hitchcock; Mrs. Fred DePeyster, of New York; Bishop Scadding, of Oregon; Bishop Walker, of western New York, and numbers of others of equal prominence, were received today. Bishop Walker announced his intention of attending the funeral.

Interment, in accordance with the bishop's expressed wish, is to be in the Little Sanctuary, near the Jerusalem Altar at St. Alban's, where is to be erected the magnificent new cathedral planned and built as the result of Bishop Satterlee's efforts.

Members of the clergy who are to assist in the services are expected to reach the cathedral by 1 o'clock. Those holding admittance cards should be on hand before 1:45 o'clock. At that hour the doors will be opened to the general public. It is expected that the hundreds who cannot enter the church will attend the services at the grave.

Ministers Eulogize Bishop.

In all parts of the city yesterday ministers of many denominations eulogized Bishop Satterlee from their pulpits. Tributes were paid to the dead churchman's zeal and energy, the wisdom shown in the administration of his diocese, and his influence as a Christian upon the community.

The Rev. J. Henning Neims, rector of the Pro-Cathedral Church of the Ascension, eulogized his departed counselor at both morning and evening services. He was a man who lived and preached the unadorned gospel of his Lord and Master. His life was one great service.

Remarks Made in Pulpits.

The Rev. Dr. W. H. Woodrow, pastor of the First Congregational Church, said in his sermon yesterday: "In the death of Bishop Satterlee we have lost the third great church leader within a year. Father Stafford and Dr. Hamlin, like Bishop Satterlee, were noble, high-minded men."

The Rev. Dr. Wallace Radcliffe, pastor of the New York Avenue Presbyterian Church, and the Rev. M. Ross Fairburn, pastor of the Mt. Pleasant Congregational Church, were among the divines who eulogized Bishop Satterlee from their pulpits. "Surely a great man has this day fallen in Israel, but a blessed memory abides," said the Rev. Charles Alvin Smith, pastor of the Rock Memorial Church. "Bishop Satterlee as a Spiritual Leader" was the subject of an address by the Rev. F. B. Howden before the Pro-Cathedral vestry.

Resolutions of sympathy were passed at the meeting of the Knights of Columbus held yesterday afternoon, at which time they tendered a reception to Cardinal Gibbons, of Baltimore, who spent yesterday here. That the Episcopalians of the diocese and the church and country at large had lost a great leader was unanimously passed by 800 men.

Baptist Ministers Express Sorrow at Bishop's Death

Indicative of the respect and love borne Bishop Satterlee by churchmen of all denominations are the resolutions passed yesterday by the Baptist Ministers' Conference of the District of Columbia. They are in part: "Bishop Satterlee's kindly disposition, his Christian manhood, his catholicity of spirit, his consecration to the best interests of the National Capital, and his hearty co-operation with all agencies working for its welfare, make his demise a public sorrow, and people of all communions and no less have reason to mourn in this sad hour, that a truly broad-minded citizen and a highly cultivated and noble leader in the work of his church and country have been taken from us."

DEAF MUTES ARE MARRIED BY AID OF INTERPRETER

SPRINGFIELD, Feb. 24.—Antonio Rezzario and Miss Sarah Finn were married by the aid of an interpreter and by the use of sign language. They are deaf mutes, and after getting their license were in a quandary as to how to get married.

None of the clergy was master of the sign language. Finally, however, the bridegroom's brother came to their aid. He can talk and can also use the sign language. The marriage service was read to him, he interpreted by signs and the couple made the necessary answers by sign language. The ceremony was in turn made known to the clergymen.

COMMISSIONERS PLAN CONGRESS HEIGHTS LINE

With a request for its enactment the Commissioners have forwarded to Congress a substitute measure for a bill introduced by Senator Elkins, authorizing certain extensions of the line of the Capital Railway Company. The Commissioners' measure provides for the extension along a route approved by them and further provides that where no public road or narrow road exists, the company shall acquire right of way, and dedicate it to the District before the tracks are laid. It also provides that the extension shall be completed within two years of the date of the approval of the act, and further requires a deposit of \$1,000 to guarantee that this is done. It is proposed that the line extend from the present terminus at Fifth street and Nichols avenue, Congress Heights, along Nichols avenue and the Livingston road to Shepherd's Landing.

The Commissioners also forwarded to Congress a bill to amend the act relative to gambling, bookmaking and pool selling, the details of which have been published.

Goethals, chief engineer of the Panama Canal, who came to Washington to appear before the House Committee on Appropriations this morning, said that conditions on the canal zone were all that could be expected, workmen are satisfied, their health is good, and new records for making dirt by are being hung up every month.

In announcing the sentence, Justice Stanford said he believed it was the duty of the court to protect society from such persons as the defendant had shown himself to be, and that her reformations in view of her record, seemed almost hopeless.

The only one to be subserved in this case, he said, was to prevent similar cases.

According to police records the prisoner has been sentenced twenty-six times for theft.
